Preface

Conference Info and Academic Science is a leading group of academicians in Computer Science, Electronic Engineering, Electrical Engineering, Mathematical Sciences and Management. It is rapidly growing day-by-day. Academic Science roots are in publishing of good quality papers where we have fostered the peer-review process. Academic Science is also known for open discussion, fast and immediate reply. Conference Info has organized a number of conferences at Jawaharlal Nehru University, New Delhi, YMCA New Delhi and many more places. Proceedings of these conferences have been published by Pearson and McGraw Hill Education. A number of International Conferences will be organized soon as our group size is increasing day-by-day. International Conference on Innovative Research in “Engineering, Science and Management ESM-15” was organized at Jawaharlal Nehru University, New Delhi on September 20, 2015. Total 280 papers were received for the conference and 135 papers were found suitable for presentation. Proceedings of the conference is published by McGraw Hill Education and following Associated Journals:
