Preface

Conference Info and Academic Science is a leading group of academicians in Computer Science, Electronic Engineering, Electrical Engineering, Mathematical Sciences and Management. It is rapidly growing day-by-day. Academic Science roots are in publishing of good quality papers where we have fostered the peer-review process. Academic Science is also known for open discussion, fast and immediate reply. Conference Info has organized a number of conferences at Jawaharlal Nehru University, New Delhi, YMCA New Delhi and many more places. Proceedings of these conferences have been published by Pearson and McGraw Hill Education. A number of International Conferences will be organized soon as our group size is increasing day-by-day. International Conference on Innovative Research in “Engineering, Science and Management ESM-15” was organized at Jawaharlal Nehru University, New Delhi on September 20, 2015. Total 280 papers were received for the conference and 135 papers were found suitable for presentation.
