

About Us

Gateway Institute of Engineering and Technology is a centre of excellence for highly specialized education, research and to produce technically sound and multifaceted engineers for ready acceptance by the industry. We enrich the journey of education by giving qualitative education, imbibing strong Indian culture and moral values excellence among students from all spheres.

The institute is affiliated to Deenbandhu Chhotu Ram University of Science and Technology (DCRUST), Murthal and approved by AICTE, India. We offer a four-year degree in B.Tech and also two-year diploma. We received award of Most Upcoming Engineering College in Delhi-NCR from former Union Minister Mr. Kapil Sibal.

We have recruited resourceful faculty that is dynamic, dedicated and committed to the goal-oriented teaching with effective methodology to impart quality education and train the students to compete in global environment. By employing positive and futuristic approach, the management has taken all possible measures for career development and placement of all qualified students domestically and globally.

Aim & Scope

This conference provides an international forum for researchers, developers and solutions to exchange their valuable ideas and showcase the ongoing works which may lead to path breaking foundation of the futuristic engineering. The aim of this conference is to bring together the academicians, scientists, engineers and manufacturers from various institutions, universities, colleges and industry to discuss the relevance of various futuristic technologies emerging in this area throughout the world.
