

About Conference

This conference provides an international forum for researchers, developers and academicians who are involved in real time projects and research that provide solutions to exchange their valuable ideas and showcase the ongoing works which may lead to path breaking foundation of the futuristic engineering. The aim of this conference is to bring together the academicians, scientists, engineers and manufacturers from various institutions, universities, colleges and industry to discuss the relevance of various futuristic technologies emerging in this area throughout the world.

About NITM

Nagaji Group of Institutions (NGI) founded in 2003, Nagaji Group of institutions is one of the leading private, not-for-profits, unaided Technical College in India. Started by Mr. Pratap Singh Tomar (Founder) under Shri Bal Keshanandji Shiksha Prasar Samiti, Gwalior. It has affiliations with premier universities within India. These affiliations help in keeping curricula updated, exchanging students and offering new programmes. With the able support of its experienced full time faculty members and several visiting faculties to give students the vital global edge, Nagaji Group of institutions is steadily moving towards fulfilling its vision, that of becoming a global leader in professional education, whose mission is to impart futuristic and comprehensive education of global standard with a high sense of discipline and social relevance in a serene and invigorating environment.

About Conference Info

Conference info is a leading group of academicians in Computer Science, Electronic Engineering, Electrical Engineering, Mathematical Sciences and Management. It is rapidly growing day by day. Conference info roots are organizing conferences and providing conference solutions. Conference Info has organized a number of conferences at Jawaharlal Nehru University New Delhi, YMCA New Delhi, India International Centre New Delhi, India Habitat Centre New Delhi, MBM College Latur Maharashtra, MM College Haryana, Sobhasaria Group of Institution Rajasthan, Singhad Institute of Technology & Science, Narhe, Pune, GIT Gwalior and many more places. Proceedings of these conferences have been published by Pearson, and Mc Graw Hill Publication and Associated Journals. Academic science is the sister concern of Conference Info.

About Academic Science

Academic Science is a leading group of academicians, particularly in Computer Science, Electronic Engineering, Electrical Engineering and

Mathematical Sciences. It is rapidly growing day by day. We are sure that Academic Science will touch new heights in the future. Academic Science roots are in journal and book publishing, where we have fostered the peer-review process. Academic Science is also known for open discussion, fast and immediate reply. Academic Science, online open access peer-reviewed forum, committed to publish good papers on regular basis.
